HORTICULTURE RULES

1. All horticulture exhibits eligible for AHS rosettes and medals must be entered on-scape.
2. Registered cultivars are to be entered on scape whose overall height does not exceed 36 inches.
3. All seedlings (including pre-registered cultivars) shall be severed as near the base as possible regardless of height. If the height of the seedling makes transport difficult, if not impossible, the exhibitor may trim the excess scape height, preserving the cut portion of the scape. The cut portion of the scape must then be placed alongside the base of the container holding the entry.
A seedling having won the AHS rosette in any other show is not eligible.
4. Entry tags for seedlings must be marked with the word **SEEDLING** in the space for cultivar name. Names, numbers or any other identifying marks are not permitted on the visible portion of the folded tag.
5. Eligibility for exhibitors in the Youth sections shall continue through the end of the calendar year following the youth's eighteenth birthday. *Youth entries are to be confined to the Youth section.. However, youth entries may **not** be denied in the Seedling, and Achievement sections.)*
6. Cultivars listed on the official spider list must be exhibited in Section 6 unless they are: (1) part of a local collection, (2) a Youth Section exhibit, or (3) registered as a multiform cultivar.
7. Cultivars whose names are **not** listed in the AHS checklists or supplements may **not** be exhibited in any Division, Section, Class or Group where registered cultivars are specified. They must be entered in the seedling section (Section 10). They may also be entered in the Ophelia Taylor Horticultural award (Section 12) in Class 2. They may also be entered in the Achievement Medal (Section 11), however, this option is only available to the hybridizer of the entry. The entry tag must be marked with the word **SEEDLING** in the space for cultivar name. Names, numbers or any other identifying marks are not permitted on the visible portion of the folded tag.
- 8+Unusual form cultivars, registered as such, must be entered in Section 7 and **only** those listed on the official Unusual Form cultivars list may be entered in Section 7 unless they are: (1), part of a local collection, (2) a Youth Section exhibit, or (3) registered as a multiform cultivar.

8. Double form cultivars, registered as such, must be entered in section 5 and only those listed on the official Double Form Cultivars list may be entered in Section 7 unless they are: (1) part of a local collection, (2) a Youth Section exhibit, or (3) registered as a multiform cultivar.
9. Only one entry per named class is allowed per household.

JUDGING STANDARDS FOR ACCREDITED SHOWS

1. All judging of an accredited show will employ AHS standards.
2. All horticulture sections must be judged by AHS Exhibition judges.
3. Each panel of judges shall be the final authority for each section and group in which it judges.
4. Only the Classification Chair has the authority to disqualify any entry that is damaged or does not conform to the schedule.
5. The appropriate AHS scale of points will be used for: (1) Registered cultivars on-scape, (2) Seedlings on-scape and (3) Individual flowers of registered cultivars off-scape.
6. The AHS standard system of awards will be used.
7. All scapes receiving the AHS rosettes or purple ribbons must score 95 or above by the AHS scale of points.
8. Registered cultivars will be classified as registered, by size, and by form; they will be grouped alphabetically within each section. No distinction is to be made between the classification of diploids and tetraploids.
9. Each registered cultivar shall constitute a name class. A single entry may be given an award if the judges consider it a superior exhibit. An exhibitor may have only one entry per name class.
10. Each seedling or pre-registered cultivar (a pre-registered cultivar is considered a seedling) shall constitute a class to be judged on individual merit. Each entry may be given an award if considered a superior exhibit.
11. If Division I, AHS Rosette eligible Sections 1-9, are subdivided or judged by more than one panel of judges, the purple awards must be point scored to determine a single winner since there is only one AHS rosette for each of these Sections.

One First (Blue) which must score 90 or above.

One Second (Red) which must score 85 or above.

One Third (Yellow) which most score 80 or above.

For registered cultivars, only one blue, red and yellow may be awarded in a given name class. For seedlings, each exhibit in the section is judged on its own merit and is thus an award-eligible class.

Entries must be entered by number as assigned by the Classification Committee. Each of the judges on the panel assigned to judge the entries will point score each scape individually. The score sheets will be returned to the General Show Chair and Tabulation Committee Chair who will tabulate the scores. Scores will NOT be official until they have been verified by the Exhibitions Chair or the Exhibitions Committee.
